CPU5-QG

(computer CPU not included)

# CPU Mount

## DESCRIPTION:

Safely suspend your computer off the floor and extend its life with this computer CPU wall mount.

This mount fastens your computer in a frame that wraps around all four sides, securing it tightly to the wall or desk. The CPU mount has a key-hole wall plate that makes it easy to take the CPU down for maintenance. The model shown fits CPU's 5" to 7" in width and 10.75" to 18.25" in height. It is also available in both a smaller and a larger model.

## FEATURES:

- Secures computer on four sides
- Saves desk and floor space
- Keyhole wall plate makes it easy to mount
- Includes security set screw
