

Ergovision 610 Desk Mount

Model Number as shown:
EV610-DV5-QG

Ergovision 610 Desk Mount

DESCRIPTION:

The ErgoVision 610 LCD monitor mount is an excellent choice for medical or dental environments, or for point-of-sale applications such as financial institutions, banks, store outlets, and insurance brokers. The EV610 makes it easy to adjust the height and tilt of your LCD monitor to the most ergonomic position and provides the flexibility needed in situations where employees of different heights share the same workstation.

FEATURES:

- Raise or lower monitor 9.5 inches
- 360° of swivel
- 60° of tilt
