T2ER-CE5-QG

ICW

T2 Elite Ceiling Mount

DESCRIPTION:

The Elite Series incorporates revolutionary design features allowing it to support up to 28 lbs. (12.7 kg) while providing effortless movement. The Elite allows an LCD monitor to be suspended from the ceiling, wall or mounted on a desk and pulled out when required. The addition of a keyboard and mouse tray increases its possible applications, including patient IT access, patient record entry, and manufacturing automation.

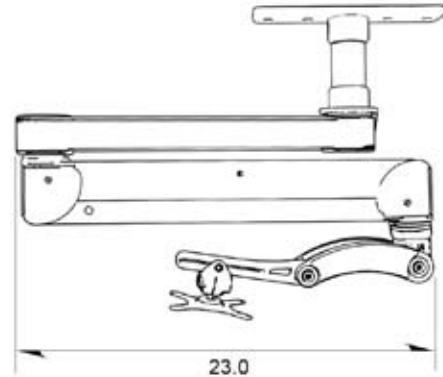

The Elite ceiling mount is fully cable managed, gas assisted, provides up to 21" of vertical adjustment, 57" maximum reach, and 360 degrees of screen swivel.

FEATURES:

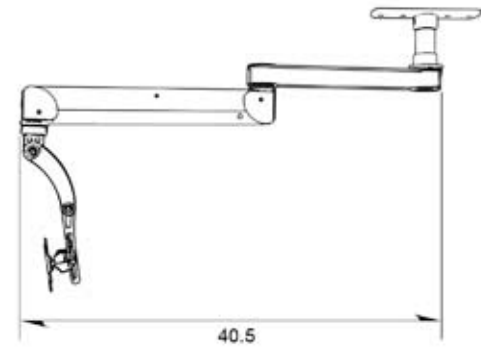

- Fully enclosed gas cylinders
- Indexable locking brake handle
- Hardened alloy shoulder bolts and Teflon bushings, engineered for years of reliable service and quiet operation
- Powder coated and anodized for long wear and easy cleaning
- Cable channeling through the arm assembly
